October 2011

Interact with our new REODATA 4.0 and National Product Catalogue E-Books

Continuing on the promise to offer new ways to deliver content, REODATA 4.0 and the 2011/2012 National Products and Services Catalogue are now available from reinforcing.com as interactive E-Books.

Incorporating videos and quick links, this new dimension for online reading allows easy access to information and content. OneSteel Reinforcing's REODATA 4.0 and the 2011/2012 National Product Catalogue interactive E-books can be downloaded free to all tablets or mobile devices including iPads and iPhones.

All of OneSteel Reinforcing's REO ESSENTIALS tools, including the new interactive E-Books, are available FREE from the OneSteel Reinforcing website www.reinforcing.com

October 2011

REO RESPONSE™ - Giving our customers a voice

OneSteel Reinforcing is always looking for ways to improve the experience their customers have with their products, services and resource tools.

That's why we've introduced REO RESPONSE™; an online feedback form aimed at giving you, our customer a voice. Whether it's a comment on the 2011/2012 National Product Catalogue, a technical or sales enquiry, or a suggestion for the next REODATA™ all your comments are appreciated.

Simply click on the REO RESPONSE™ icon on www.reinforcing.com to give us your feedback or alternatively you can email us at reoresponse@onesteel.com

Tell us what you think!

Click on REO RESPONSE™ at www.reinforcing.com or email 500PLUS@onesteel.com

REO RESPONSE

We're always looking for feedback on how we can improve our products and services to you. That's why we've developed REO RESPONSE so we can better assist you and your projects.

Your feedback is valuable and your opinions go a long way into helping us find new ways to continually be a company who is REINVENTING REINFORCING™.

Please complete the form and click the submit button.
